SIC	The Scottish Information Commissioner
	Who is responsible for ensuring that those bodies covered by FOISA and EIRs comply with the terms of the legislation.
MPS	Model Publication Scheme
	Produced by the SIC – this details all of the information that those subject to FOISA should publish (if they hold it)
Guide to Information	A guide that all organisations subject to FOISA and adopting the MPS must produce to help people access the information it makes available
Classes of Information	Nine broad categories describing the types of information authorities should publish (if they hold it).

#### **Background**

The Freedom of Information (Scotland) Act 2002 (FOISA) requires that all housing associations/co-operatives in Scotland must produce and maintain a publication scheme. This must detail all of the key information that we publish and how you can access it. This Guide to Information is our publication scheme and contains links to where you can find all the information listed online.

**Loreburn Housing Association** has adopted the Scottish Information Commissioner's (SIC) <u>Model Publication Scheme (MPS)</u>, and this Guide has been approved by the SIC.

#### Formats other than online

All of the information listed is available on our website (unless stated), and completely free to access online. However, we understand that not everyone will have online access and where this is the case you can contact us to make arrangements to receive or view the information.

If you would like a printed copy of any of the information listed, unfortunately we may have to charge a small fee to provide this. This fee will never exceed the cost of photocopying and postage – and we will let you know any total cost before we forward this to you.

Our charges for providing any information detailed in this guide are summarised below:

Format	Charge
Online	Free
Viewing in Person (wherever possible)	Free
Print in black and white	5p per A4 sheet
Print in colour	10p per A4 sheet
CD Rom	50p
Posted document/CD Rom	Cost of postage incurred

If you would like to request information that we publish in a format other than online, or to discuss viewing the information in person, please contact our Head of Governance & Assurance:

#### Rebecca Wilson: tel. 01387 321356 or email- rebeccaw@loreburn.org.uk

#### Information that we cannot publish

Whilst we will try to make all of the information we have detailed available, in rare cases there may be some information that we cannot make available. For example, sometimes if we were to publish certain Management Committee minutes, it could reveal personal details about an individual. This would be a breach of Data Protection legislation if we were to do so. When this is the case, we will remove any personal details before publication and highlight where and why we have done so.

#### For how long will information be published?

We aim, where possible, to publish information for at least the current and previous two financial years. When we review any document - e.g. our policies - to avoid confusion we will only publish the current version once it has been updated.

### Copyright and re-use

Where we hold the copyright on our published information, the information may be copied or reproduced without formal permission, provided that:

- It is copied accurately
- It is not used in a misleading context
- The source of the material is identified

#### The Information that we make available to you

Under the MPS, the information we provide must be listed under certain "classes" of information. These are the categories of information detailed below. As FOI applies to other bodies and sectors across Scotland – such as Scottish Government and Councils for example – this means that not all of the categories in the MPS apply to housing associations/cooperatives.

The details of all the information we hold under each of the classes that apply to our organisation, and hyperlinks to access this information when available online, are outlined below.
