

Role Profile

QS Electrician

In-House Repairs

Reporting Structure	Reporting directly to IHR Team Manager and contributing to the Loreburn's Operations Directorate.
Salary Band	Band –TF: £38,950 - £42,400 + on call rota payments Appointment to the salary scale point will be dependent upon skills and experience. Salary progression will occur annually on an incremental basis until the top of the scale is reached, provided delivery of role requirements are demonstrated.
Contract & Hours	Permanent - 34 hour week, worked over 4 days between 8am and 5pm, long weekend every 5 weeks.
Workbase	This post involves regular travel within the geographical region for which the post covers (East or West). A requirement to cover other areas through the region from time to time.

Role Summary

As a valued member of the In-House Repairs team, you'll have a key role to play in delivering a friendly, helpful and professional service to our tenants by carrying out general electrical maintenance in their homes.

You must be a qualified IEE 18th Edition Electrician for the role. A typical day might include attending to electrical emergencies, void works, and routine repairs - both internal and external and DEICR, Smoke Alarm and Emergency Lighting works, as well as other multi-skilled duties which include, basic joinery, minor plastering repairs, decoration etc.

As a QS Electrician you will also be responsible for signing off test sheets for other electricians.

Our approach is very much 'one team' and so you'll collaborate with your team – and others – to achieve positive outcomes for our tenants and communities. Although you'll be supported by your team, being comfortable working by yourself, and feeling confident to resolve issues wherever you can, is important. You'll need to be a friendly and approachable person with a positive approach, who is solution focussed and committed to delivering an exceptional tenant experience.

The post holder will also provide support to other trades when necessary.

The position requires a time served electrician with a full valid driving licence who is able to participate in an on call rota.

Our Service Commitment

Delivering a great service experience runs through all we do at Loreburn. This commitment extends to how we work with one another internally, building a culture of respect and professionalism in every interaction.

We take pride in taking ownership of issues, focusing on effective solutions, and applying the principles of our MGI customer service training to deliver consistently high standards. Whether resolving a tenant query, supporting a colleague or leading a team, we are all responsible for creating an experience that feels responsive and solution focused.

This means we:

- Demonstrate care and professionalism in our interactions
- Use initiative to resolve issues and avoid unnecessary delays
- Take personal accountability for the quality of service provided
- Apply learning from our MGI training to enhance service experience
- Work together to deliver joined-up services and support
- Are proactive in improving services and sharing good practice

Regardless of role, this commitment underpins how we work. For those in leadership and management roles, it also means creating the conditions for others to succeed: modelling our values, leading by example and ensuring teams are equipped and empowered to deliver an exceptional service experience for everyone we connect with.

Key Responsibilities

- Carrying out general electrical maintenance tasks, including:
 - Carrying out repairs and maintenance to electric heating systems
 - Replacing showers, fans and filters
 - Replacing electrical fittings, including lighting fittings, strip lights etc
 - Fault finding and diagnosis
- Carrying out DEICR inspections within void properties.
- Ensuring you have the correct stock in your van to avoid repeat visits to tenants' homes.
- Updating your PDA on a timely and accurate basis.

- Ensure any follow up works to tenants' properties are scheduled on a timely basis.
- Pro-actively manage the health and safety of tenants and other colleagues in accordance with the Health & Safety policy and procedures.
- Ensuring your vehicle is safe and well maintained.
- Ensuring all tools are safe to use and well maintained.
- Assisting with other trades as and when required.
- To take responsibility for own wellbeing and safeguarding in the duties to be carried out for this post.
- Where issues on Health and Safety are identified, these are recorded as Adverse Events and actioned within the Adverse Event policy timescales.
- To take responsibility for own personal development and update knowledge and skills, with support from Loreburn, to perform the role at an effective level. To undertake such learning and development as is deemed necessary to improve personal performance and knowledge.
- To implement positively and ensure compliance with policies, procedures, codes of practice and initiatives relating to Equality and Diversity, Customer Service, Risk Management, Health and Safety, Data protection and Information Technology, Financial Regulations, Standing Orders and the Code of Conduct and Probity.
- Maintaining work certification and signing off test sheets for other electricians
- Carrying out surveys for new works.
- Providing progress reports to ensure each project is running to schedule.
- Carrying out inspections and testing where required.

This role profile is not intended to be exhaustive and may not encompass all tasks and responsibilities. Any other responsibilities required of the role will be appropriate to the role and salary grade.
